

DISABILITY AWARENESS

We read a book/watched a movie: “_____” at school today. Here are some questions you may want to ask your child about what they learned.

1. What did you learn about people who have disabilities from this book/movie?
2. How will it change the way you look at people who may be different from yourself?
3. What are some ways you are more alike than different from people with disabilities in your school or community?

For more information about intellectual and developmental disabilities, visit:
